

# Ki te māra - In the Garden

## Ngā kupu

# Ki te māra - In the Garden

## Tohutohu: Instructions

Place the Ngā kupu card with the te reo Māori words somewhere where each player can see. One player turns two cards picture-side up and places them in the middle for each player to see.

The first player to correctly name the object that is on BOTH cards in te reo Māori, wins the cards.

Play until all the cards are gone. The winner is the player with the most cards.

The quicker you learn the te reo Māori kupu for each picture, the speedier you will be!

If your rohe/wi uses different kupu, change to the kupu you are familiar with on the Ngā kupu card.
